It ain't no use to **sit and wonder why** babe, it don't matter any how

Ain't no use to sit and wonder why babe, If you don't know by now

When the rooster crows at the break of dawn, look out your window and I'll be gone

You're the reason I'm traveling on. But don't think twice it's all right.

It ain't no use in **turnin' on your light**, babe, that light I never knowed

It ain't no use in turnin' on your light, babe, I'm on the dark side of the road

Still I **wish there were something you would do or say**, to try and make me change my mind and stay

We never did too much talkin' anyway, so don't think twice, it's all right.

I'm **walkin' down that long lonesome road**, babe, where I'm bound, I can't tell

But goodbye's too good a word, gal, so I'll just say, fare thee well.

I'm **not sayin' you treated me unkind**, you could have done better but I don't mind

You just kinda wasted my precious time. But don't think twice, it's all right.

It ain't no use in **callin' out my name**, gal, like you never done before

It ain't no use in callin' out my name, gal, I can't hear you anymore

I'm **a-thinkin' and a-wonderin'** all the way down the road, I once loved a woman, a child I am told

I'd give her my heart but she wanted my soul. But don't think twice, it's all right.
