Hey Jude don't make it **bad**, take a **sad** song and make it better
Remember to let her into your **heart** then you can **start** to make it better

Hey Jude don't be **afraid**, you were **made** to go out and get her
The minute you let her under your **skin** then you **begin** to make it better

And anytime you feel the **pain** hey Jude refrain, don't carry the world upon your shoulders. For well you know that it's a **fool** who plays it cool by making his world a little colder. Da da da da...

Hey Jude don't let me **down**. You have **found** her now go and get her
Remember to let her into your **heart** then you can **start** to make it better

So let it out and let it **in**. Hey Jude **begin** you're waiting for someone to perform with. And don't you know that its **just you** hey Jude you'll do. The movement you need is on your shoulders
Da da da da da, da da da da

Hey Jude don't make it **bad** take a sad song and make it better
Remember to let her under your **skin** and then you'll **begin** to make it better
better, better, better, better, better oh
